#### New Workshop

Champions introduced an exciting new workshop this January, *The Foundations of Success!* This workshop was developed to give our clients the essential tools necessary on the journey towards **excellence** in all aspects of life. Throughout Foundations of Success, each client will be exposed to the basic skills necessary to; overcome barriers, gain confidence, set goals, solve problems, become behaviourally flexible, respond to criticism, and generate new behaviours.

#### New Staff

Champions Career Centre has seen many changes over the last year, including a change of faces around the office. Last year CCC welcomed three new staff members to the team; two new Case Managers, Andy Potton and Kellie Agnew Clark, and our new Intake Coordinator, Jennifer Whitnall. Each of our new staff brings a wealth of knowledge and experience to their roles, making them valuable additions to our fantastic team.

#### Employer Partner Spotlight

CCC and MCF have successfully collaborated to ensure diversity in the workplace remains an ongoing area of development. Our partnership is successful because it does not focus on just hiring CCC candidates but also on building a foundation of trust and providing information about working together with persons with disabilities.

#### Community Partner Spotlight

month we had representatives from **Roneta** and **Account Temps** join us in our office for informational sessions with our clients.

Do you have an upcoming event that you would like CCC to be part of? If so contact Jennifer Whitnall @ 403-232-0758, [jwhitnall@championscarecentre.org](mailto:jwhitnall@championscarecentre.org)

LDAA Calgary Chapter has been assisting individuals with learning disabilities for nearly 40 years through programming, advocacy, education and support. CCC and the LDAAL continue to work together to provide services to individuals with learning disabilities.
