

Champions Career Centre

Connecting Employers & Persons with Disabilities

Champions Career Centre (CCC) is a leading edge non-profit organization providing career and employment services to persons with disabilities who are ready, willing and able to work.

As a Career Development and Placement agency working in partnership with disability organization agencies, corporations and employers, we assist individuals with disabilities to achieve their career goals.

We currently have the following full-time contract employment opportunity available:

Career Developer – assist clients through the process of assessment to employment placement using active case management. Ideal candidate must have a solid background in career counseling with a good understanding of career development theories and approaches along with efficient case management skills. Have excellent oral, written and time management skills. Must enjoy working within a team environment utilizing strong communication/interpersonal skills. Experience working with people with disabilities and knowledge of associated barriers to employment. The ideal candidate will have a degree/diploma or designation in vocational rehabilitation or related field with proven experience in a career development role. Certified Career Development Professional (CCDP) designation is an asset.

We offer an impressive health care benefits package, bi-weekly flex days, 3 weeks vacation per year, monthly target incentive bonus, professional development allowance, health & wellness gym access and RRSP contribution match.
